Other PHA Goals and Objectives: (list below)

PHA Goal: Promote energy efficiency practices and products when performing rehabilitation, repair and replacement in public housing developments.

Objective: Incorporate, when applicable, Energy Star Program qualified products and practices.

VAWA Goals and Objectives:

PHA Goal: VAWA activities, services or programs provided or offered by an agency, either directly or in partnership with other service providers, to child and adult victims of domestic violence, dating violence, sexual assault or stalking.

Objective: In elderly care abusive situations, the GHA will call the Adult Protective Services through the Department of Human Services. In the case of women or men in abusive or domestic violence situations, the GHA will have the resident contact the local police department to file a report or to get an order of protection, if needed. The GHA then refers the tenants to CHIPS (Change Is Possible), an agency offering support for victims of domestic violence and sexual assault. CHIPS provides shelter, a crisis hot line, counseling, information and referral, legal and systems advocacy and support groups. CHIPS also refers their clients to the GHA for housing. Additionally, the GHA requests that individuals certify that they are a victim of abuse and that the incidences of abuse are bona fide. The certification must include the name of the perpetrator and any other statutorily required information.

PHA Goal: VAWA activities, services or programs provided or offered by a public housing agency that helps child and adult victims of domestic violence, dating violence, sexual assault or stalking to obtain or maintain housing.

Objective: The GHA makes diligent efforts to counsel tenants relative to their problems and refers them to the appropriate agencies listed above to obtain any necessary counseling. Additionally, the Authority's VAWA Policy permits victims of violence to maintain their current housing while evicting a household member who has engaged in the criminal act of physical violence.

PHA Goal: VAWA activities, services or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault and stalking or to enhance victim safety in assisted families.

Objective: The GHA's policies are set to promote stability and a secure safe environment for their families. The definition of family is: Two or more persons sharing residency whose income and resources are available to meet the family's needs and who are either related by blood, adoption or marriage and have evidenced a stable family relationship. (Includes an adult and foster child or a person living alone during the temporary absence of a family member who will later return and live regularly in the unit of the family.); Single pregnant women with no other family members. However, pregnancy must be verified when it is the sole basis for determining eligibility; An elderly family; A displaced person; and, any other single person who is not 62 years or older, disabled, handicapped or displaced. This allows the GHA to control who legally stays in the apartments. Boyfriends or girlfriends are not allowed to move in and out of apartments, which could lead to violence or domestic violence situations. Domestic violence victims often follow a pattern of allowing the same violent person to come and go in the household. When the GHA becomes aware of a violent situation or a potential

	<p>violent situation, the GHA enforces their Trespass Policy. This allows the GHA to ban anyone from the Greeneville Housing Authority property who have made threats of violence or have committed violent crimes. The GHA conducts police checks on all adult applicants which includes any adults applying to be added to a tenant household. They are not added to the lease until their application has been processed and police reports checked.</p> <p>STATEMENT OF PROGRESS IN MEETING GOALS AND OBJECTIVES</p> <p>Objective – Renovate or modernize public housing units: The GHA has continually upgraded its public housing units through the Comprehensive Grant Program as well as the Capital Funds Program. All modernization activities are addressed in accordance with need as well as residents' requests in all developments.</p> <p>Objective – Provide and attract supportive services to improve assistance recipients' employability: The GHA has organized with third party organizations in offering adult basic education, computer training and G.E.D. courses to improve the residents' employability.</p> <p>Objective – Undertake affirmative measures to provide a suitable living environment for families living in assisted housing regardless of race, color, religion, national origin, sex, familial status and disability: The GHA continues to operate its public housing program in order to provide a suitable living environment for families living in assisted housing regardless of race, color, religion, national origin, sex, familial status and disability. The GHA's operations and management, inspections, maintenance and modernization programs are spread equally among all developments.</p> <p>Objective - Promote energy efficiency practices and products when performing rehabilitation, repair and replacement in public housing developments: The GHA will incorporate, when applicable, Energy Star Program qualified products and practices when performing rehabilitation, repair and replacement in their public housing developments.</p>

CONFIDENTIALITY

Any information provided pursuant to the Violence Against Women Act (VAWA) shall neither be entered into any shared database nor provided to any related entity, except to the extent that disclosure is requested or consented to by the individual in writing; required for use in an eviction proceeding of an abuser, stalker or perpetrator of domestic violence; or is otherwise required by applicable law.

STATE AND LOCAL LAWS

Some states have passed laws effecting applicants, tenants, owners and landlords that are more stringent than requirements of the Violence Against Women Act (VAWA). Many states have related laws pending. You may want to check with your state and/or city for the most current state and local laws protecting victims of domestic violence, dating violence or stalking.

Violence Against Women Act

What Applicants, Tenants, Owners and Landlords Need to Know

Applicable to Public Housing and
Section 8 Housing Choice Voucher
Programs

Effective January 5, 2006

This brochure meets notification requirements of the
federal Violence Against Women Act.

VAWA PROTECTION FOR PUBLIC HOUSING AND SECTION 8 HOUSING CHOICE VOUCHER ASSISTANCE APPLICANTS

A Public Housing Agency (PHA), owner or landlord may not deny admission to an applicant (male or female) who has been a victim of domestic violence, dating violence or stalking if the applicant otherwise qualifies for assistance or admission.

To qualify for public housing or housing choice voucher assistance, all applicants, including victims of domestic violence, dating violence or stalking, must, at a minimum:

- meet the local PHA's definition of "family";
- be income eligible;
- have at least one family member who is a U.S. citizen or has eligible immigration status;
- pass criminal background screening;
- have no outstanding debt to the PHA; and
- meet all other local PHA screening criteria.

Some, but not all, PHAs give preference to applicants who are victims of domestic violence. If you are a victim of domestic violence, dating violence or stalking, ask if the PHA gives this preference. If they do, the PHA may request that you provide a certification documenting the situation. If you fail to provide a requested certification within 14 business days after receiving the request, your request for a preference may be denied.

Reporting incidents of domestic violence, dating violence or stalking to law enforcement, victim's rights advocates, and the PHA may help preserve your housing rights. The PHA may not deny, remove or terminate assistance to a victim of domestic violence, dating violence or stalking based solely on such an incident or threat.

- In processing a request by a victim for continued assistance or for portability, the PHA may request that you certify that you are a victim of domestic violence, dating violence or stalking, and that the actual or threatened abuse meets the requirements set forth in the VAWA. Such certification must include the name of the perpetrator. If you do not provide the requested certification within 14 business days, your assistance may be terminated.
- The PHA, an owner or landlord may deny, remove, or terminate assistance to an individual perpetrator of such

VAWA PROTECTION FOR PUBLIC HOUSING TENANTS AND HOUSING CHOICE VOUCHER PROGRAM PARTICIPANTS

A Section 8 Housing Choice Voucher Participant who is a victim of domestic violence, dating violence or stalking may request and be granted portability due to the incident or threat if they are otherwise compliant with all program obligations and the perpetrator has moved out of the dwelling unit.

Actions and continue to allow the victim or other household members to remain in the dwelling unit or receive housing assistance. This does not limit the authority of the PHA, owner or landlord to terminate your assistance for other criminal activity or good cause.

PHA Certifications of Compliance with the PHA Plans and Related Regulations: Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 2010, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.

Comments of Resident Advisory Board

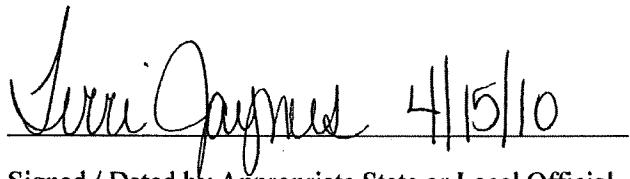

The Greeneville Housing Authority (GHA) conducted its Resident Advisory Board (RAB) Meetings on February 17, 2010 and March 17, 2010 at the GHA Community Room. The purpose of the meetings was to discuss the FY 2010 PHA Agency Plan with the Board and to receive their comments and recommendations relative to the contents of both the Five Year Plan and Annual Plan. A thorough explanation of the contents of the PHA Plan was discussed with the Board as well as how the GHA arrived with the information. The Board showed favorable consideration to the FY 2010 PHA Agency Plan and only had comments relative to capital improvements. It was noted that the improvements the RAB would like to see undertaken have been included in the Plan.
